

High performing flexible homogeneous multipurpose flooring, durable with EASYCARETM surface treatment

MIPOLAM® 180 is a durable, high performing flexible homogeneous multipurpose flooring recommended for hospitals, schools, offices, supermarkets and institutional buildings. It is an ease to maintain, hardwearing floorcovering with an attractive and modern design. It benefits from EASYCARE™ surface treatment with good resistance to chemicals and to scuffing, and high resistance to scratches and staining. Easy to clean. No wax for life!

Key Features

- Excellent abrasion resistance
- Available in 2 m sheet
- Flexible flooring, easy to install & weld
- Matt finish surface: enhanced design & colour
- Homogeneous vinyl flooring suitable for medium to heavy duty traffic areas

Color number: 30

Sheet size: 200 cm x 20 lm

■ I Thickness: 2.0 / 2.5*

MIPOLAM® 180 features bacteriostatic and fungistatic treatment. The flooring complies with the EN 649 (34 - 43) and has a Group P wear rating. It is suitable for heavy traffic areas.

EASYCARE™ surface treatment with good resistance to chemicals and to tscuffing, and high resistance to scratches and staining. Easy to clean. No wax for life!

INSTALLATION

Installation should be carried out in accordance with local standards. Subfloor should be smooth, hard, clean and dry prior to laying. Where applicable, the subfloor must incorporate an effective Damp Proof Membrane. The material must be allowed to acclimatize 24 hours before installation in a room temperature of between 18-24°C. All seams must be hot welded using Gerflor® matching welding rod.

MAINTENANCE

No emulsion dressing is required. Maintenance should be carried out regularly to retain in the appearance and durability of the floor. The floorcovering should be maintained with regular sweeping and damp mopping using a neutral cleanser. More intense cleaning should be carried out using a fine spray cleaning pad under a floor machine, or for larger areas combined machine cleaning.
